OBSERVATIONS

1. Just under half of all incidents involve the use of our roadways.
2. Speeding remains our most frequent incident -- nearly 1 in every 4 reported incidents.
3. Vandalism remains our second most frequent incident with just over half of the vandalism incidents occurring in the last four years.
4. 2008, 2009, and 2010, in terms of reported incidents, were all **under** our twelve year average of 14.
5. Unwanted/suspicious visitors/solicitors accounted for half of all incidents reported in 2010.
6. The last construction-related incident was in 2006.
